Nissan Forklift

Nissan Forklift Training Hamilton - Nissan prides itself on achieving complete consumer satisfaction when their client is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the business has four distinct manufacturing facilities that allow them to continually adapt to their clients continually evolving desires by providing a variety of innovative ideas and concepts.

The Nissan Forklift North and South American foundation is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the cooperation, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that minimize the global influence of their goods and processes. These high values remind consumers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious corporation.

Nissan is assured that they will be able to address any customer queries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
